GENERAL.

NOTIFICATIONS.

The 5th October 1887.

No. 128.—The following Sections will be substituted for Sections XVII and XVIII of the Survey Guarantee:—

XVII. The Irrigation Cess will similarly merge in the future Survey valuation of all wet lands held in Inam, whether in Government villages or in whole Inam villages, and $\frac{1}{4}$ th of such valuation will be collected similarly to a jodi, but under the designation of "Equivalent of the Irrigation Cess" separately from, and in addition to, the quit-rent payable on such lands or villages, and be carried to the account of the "District Irrigation Fund." But such wet lands in whole Inam villages as may derive their irrigation exclusively from a tank or other source of irrigation situated wholly within such villages shall not be liable to pay any Irrigation Cess or the equivalent thereof to the Government.

Provided that, for the purpose of fixing the amount of Irrigation Cess, the Survey Department shall ascertain and record the assessment of such wet lands in Inam villages as may be irrigated by a Government irrigation work. And provided further that the Survey valuation of all Inam or other wet lands shall include any separate water rate which may be imposed thereupon.

XVIII. Kayamgutta villages and Inam villages (Sarvamanyam or Jodi) shall pay Local Fund Cess at the rate of one anna in the rupee, the former at the fixed kayamgutta rent and the latter on the recorded value of the Inam.

No. 129.—Rule VI of the Rules for the guidance of District Committees in the administration of the District Irrigation Cess Fund, published with the late Chief Commissioner's Notification No. 62, dated 7th May 1875, is amended as follows:—

VI. Holders of Inam and Kayamgutta villages being relieved of the obligation to pay Irrigation Cess in respect of wet lands irrigated exclusively from their village tanks, their responsibility for the execution of timely repairs to such tanks and for maintaining them always in a proper condition will be strictly enforced. If they fail to maintain their tanks in a proper condition or to execute the needful repairs in due time or with reasonable despatch and efficiency, it will be competent to the Government to take the work in hand and carry it out, the outlay being recovered from them as a revenue demand.
